

## **Customer and Stakeholder Engagement: Wetherby**

On 30 November 2022 we announced the closure of 114 branches, including our branch at Wetherby. The following provides detail of the stakeholder engagement we have undertaken, and feedback received, since our announcement.

### **Customer and stakeholder contact**

On 20<sup>th</sup> and 23<sup>rd</sup> January, we wrote to all regular users of this branch. The letters advised customers of the reasons behind our decision and effective date of closure. They also provided customers with details of the nearest alternative HSBC UK branch, alternative ways to continue to access their usual banking services and how to access the closure Impact Assessment.

We wrote to Alec Shelbrooke, Constituency MP, on 30 November 2022 to advise of our decision to close the branch and offered to meet to explain the reasons and how we would be supporting all our customers during this period of change.

At announcement we also wrote to a number of key stakeholders. These included:

- Post Office
- HM Treasury
- Cash Action Group
- CBI
- British Chambers of Commerce
- Which?

On 23 January 2023 our Local Director additionally wrote to the following key local stakeholders to advise of our decision to close:

- Dean Buckle, Council Leader
- Ionia Taylor, Clerk to the Parish Council
- Dawn Fenty, Post Office Area Manager
- Local Chamber of Commerce
- Wetherby Library
- Age UK
- Alzheimer's Society
- Citizens Advice
- Community Money Advice
- RNIB
- Cancer Research UK
- Barnado's
- Wetherby in Support of the Elderly

We published an Impact Assessment on our public website. The assessment provides further details on the reasons behind our decision, the information used, the nearest HSBC UK and Post Office branches, alternative ways to bank and how to contact the bank for

additional support. To view these reports just scan the QR code or visit <https://www.hsbc.co.uk/branch-finder>. Copies are also available in the closing branch.

Posters have been displayed at the branch with information on the nearest HSBC UK branch and cash machine as well as the nearest Post Office counter.

We provided extensive training to our branch teams in order that they could fully support both personal and business customers with accessing alternative ways to bank. Following this training our branch staff have been proactively engaging with customers, particularly those who are reliant on the branch services, to help them look at the alternatives that are available, including the services provided by the Post Office.

We have also been engaging with the nearest Post Office counters to the branch to ensure they know we are closing, are aware of the services they can provide to our customers and to address any queries or concerns they may have in meeting the needs of our customers.

### **Customer and stakeholder reaction/feedback**

- We have written to Alec Shelbrooke, Constituency MP who responded to our Local Director, Anthony Dwyer, expressing concerns about our vulnerable customers. Anthony responded explaining the support we were providing to the community and offered to meet to discuss the closure. No further correspondence has been received.
- Post Office Area Manager, Dawn Fenty, responded to us and subsequently met with Anthony Dwyer on 27 April 2023. A member of the Wetherby Post Office team also attended the meeting where everyone was able to fully understand each other's business and how they can collectively support customers.
- General customer sentiment was disappointment that the branch was being closed, however many are accepting of the decision. Staff within the branch have been actively supporting these customers and discussing alternative methods of completing transactions.

### **Follow up action taken**

- We have proactively contacted our vulnerable customers who use the branch to understand how they currently bank. During these calls we have taken the time to understand our customers specific circumstances, for example, where they live or the transport they use. This has allowed us to provide our customers with

information on the services that may be suitable for them, such as the local Post Office or digital options available through mobile or online banking.

- We have offered customers the opportunity to attend a HSBC@Home session focused on alternative ways to bank. HSBC@Home is our digital education programme and has been designed to educate and upskill customers on a range of topics from digital tools and services to fraud and financial fitness.
- The branch team will be holding Pop Up events once the branch closes. Our branch experts will be on hand to offer important advice on how to reduce the risk of fraud on your account, give guidance and support on the different ways customers can do their banking, including the services available at the Post Office and help with queries about our products and services.
